We offer you different color options, to fit your specific needs:

- Natural
- Honey
- Brown
- Red

Our products are sold world wide, passing international quality control inspections made by external companies, and are sold in many of the biggest and most demanding chains in America and Europe.

All our products are made of teak (*tectona grandis*) and feature all teak's great advantages:

- Durability
- Weather resistance
- Repels insects and fungus
- Structural stability, rarely warps, checks or shrinks
- Own natural oils will prevent cracking
- Beautiful appearance
